Funding

Increase Massachusetts State Budget Line Item 4513-1098 to \$1,000,000

These funds would sustain a statewide homicide response protocol by supporting:

- ❖ The “Rest in Peace Fund” and “Live in Peace Fund”, which aids survivors of homicide victims with direct services in the aftermath of a homicide and fill the gaps of Victims of Violent Crime Compensation.
- ❖ The organizing and sustainment of a statewide Survivors of Homicide Victims Network (SHVN), and distributes grants to survivor-led organizations statewide.
- ❖ The operations and direct services provided by the Louis D. Brown Peace Institute.
